FOR AN ORDER APPROVING THE
CANCELLATION OF ITS CERTIFICATE OF
CONVENIENCE AND NECESSITY FOR THE
PROVISION OF COMPETITIVE PRIVATE
LINE SERVICES

DOCKET NO. T-03874A-07-0367

APPLICATION FOR AN ORDER
APPROVING THE CANCELLATION
OF CERTIFICATE OF
CONVENIENCE AND NECESSITY
FOR THE PROVISION OF
COMPETITIVE PRIVATE LINE
SERVICES

OnFiber Carrier Services, Inc. a Delaware corporation (hereinafter "OnFiber" or "Applicant"), an indirect subsidiary of Qwest Communications Corporation, hereby applies to the Arizona Corporation Commission (the "Commission") for an order approving the cancellation of the certificate of convenience and necessity ("CC&N") held by OnFiber for the provision of competitive private line services ("Services") in Arizona. In support of its application, OnFiber states the following:

1. On June 25, 2004, the Commission issued a decision authorizing OnFiber to provide competitive private line services in Arizona. Decision no. 67062, *In the Matter of the Application of OnFiber Carrier Services, Inc. For a Certificate of Convenience and Necessity to*

1 *Provide Competitive Facilities-Based Local Exchange and Long Distance Telecommunications*
2 *Services in Arizona.*¹

3 2. In support of its request to surrender the CC&N, OnFiber states that it does not
4 provide any intrastate telecommunications services to customers in Arizona and that it does not
5 intend to offer such services in Arizona in the future. OnFiber currently has four customers
6 located in Arizona, all of whom subscribe only to interstate telecommunications services from
7 OnFiber. OnFiber does not serve any aspect of the residential market and does not provide
8 switched voice services—in Arizona or elsewhere. OnFiber does not hold any customer
9 deposits, and does not have any employees in the State of Arizona.

10 3. Accordingly, there are no affected customers to notify of the proposed CC&N
11 cancellation and discontinuance of Services by OnFiber in Arizona. Nevertheless, OnFiber will
12 publish legal notice of this Application in conformance with Arizona Administrative Code R14-
13 2-1107.

14 4. OnFiber is an indirect subsidiary of Qwest Communications Corporation
15 (“QCC”), which holds its own CC&N for local exchange services to enterprise customers,
16 including private line services. The needs of OnFiber’s limited customer base for local private
17 line services may be met by QCC, other certificated carriers in the Qwest family of companies,
18 or by any of a number of local exchange services providers in Arizona. OnFiber’s few Arizona
19 customers for interstate services will be asked to migrate to QCC.

20 5. As previously stated, OnFiber does not provide any local private line services.
21 There are numerous carriers providing those kinds of services throughout the State of Arizona.
22 OnFiber’s CC&N expressly designated the services that OnFiber proposed to provide as
23 competitive. OnFiber’s withdrawal will have no effect on Arizona customers with respect to
24 intrastate telephone services.

25 _____
26 ¹OnFiber’s original Application was amended to cover only private line services. Decision No.
67062, pages 2-3

1
2 WHEREFORE, OnFiber respectfully request that the Commission grant this application
3 and order the cancellation of OnFiber's CC&N to provide private line services in Arizona.

4
5 RESPECTFULLY SUBMITTED, this 14th day of June, 2007.
